WILLOWOOD HOMEOWNERS ASSOCIATION

# NEWSLETTER

*Spring 2020 Issue*

## UPDATES

- We are currently getting quotes for landscaping to be completed on the front entrance island at Walton and Sugar Pine. We hope to have the plants and flowers completed this spring, according to a design previously created by the landscaper.
- Willowood resident Jeremy Plenzler recently attended the City of Rochester Hills Traffic Planning Committee to address the increase in traffic and speed we have seen on our streets (prior to the current pandemic). Unfortunately, the city was not able to offer any solutions to remedy this on their end but recommended continuing to remind our residents and neighbors in nearby subdivisions to slow down. If you know someone who drives through Willowood, please feel free to pass the reminder on!

## ANNOUNCEMENTS

- Welcome to new Willowood HOA Board members Troy Stevenson, Treasurer, Evie Charboneau, VP, and Erica Douglas, Secretary! If you are interested in joining the Board, please let any Board member know.
- If you have not yet paid your annual HOA dues or have questions about them, please reach out to Board Treasurer Troy Stevenson at [Troy.Stevenson77@gmail.com](mailto:Troy.Stevenson77@gmail.com)

## REMINDERS

- With all of the kids off school and the increase of neighbors at home and outside, please make sure to stay alert and under 25 MPH when driving on our and neighboring streets!
- Please ensure all trash and recycling is put out and retrieved in a timely manner, no sooner than the evening before and morning after the assigned pick-up day. When storing your receptacles between pick-ups, please ensure they are kept inside your garage or on the side of your house that cannot be seen from the street

## KEY DATES

**Summer Progressive – Saturday, August 15, 2020**

**Winter Holiday Progressive – Saturday, December 5, 2020**
